

LANDMARK APARTMENTS RESUMPTION OF GROUNDS MAINTENANCE

Dear Residents

The ACT Government has announced an easing of some lockdown restrictions beginning 5pm on Thursday the 2nd of September 2021.

Although we are still limited on the maintenance tasks that can be performed there has been an easing of the restrictions on Outdoor Maintenance and Gardening in particular.

The ACT lockdown will be extended for another two weeks, until 11.59pm, Friday 17 September 2021.

While the lockdown will be extended, there will be amendments to restrictions to allow for some lower-risk outdoor activities.

The amendments to the Public Health Direction will come into effect from 5pm this Thursday (2 September), and include:

- ***the recommencement of services that operate outdoors and where physical distancing can be maintained, such as outdoor maintenance and gardening.***

Green Options has provided Canberra Strata and the Landmark EC with their comprehensive Covid Safe plan entitled: COVID-19 Safety Plan Green Options August ACT 2021, available to be viewed on the Landmark website.

Other works will come back online as restrictions permit.

Kind regards

Canberra Strata
