

Post-Christmas Rubbish Skips **Saturday the 29th and Sunday the 30th of January 2022**

Dear Residents

Last January the EC organised garbage skips to be positioned on Bowen Drive to allow residents to dispose of hard waste.

These skips proved to be very popular and the EC has arranged for another two skips for January 2022.

Same as last year, the skips will be positioned near the refuse compound at the rear of 3 Bowen Drive. This location is out of the way of traffic and is not visible to non-residents. (see the red asterisk on the map below).

There will once again be 2 x 15 metre skips, which equates to 60 Sulo bins or 15 standard trailers per skip.

Please do not dispose of oil or mattresses in the skip
