

UP2413 – LANDMARK ROOF RECTIFICATION

Dear Residents

Please be aware that there will be one further crane lift with heavy vehicle movement in the Bowen Drive car park prior to roofing commencement. There will of course further cranage in the future, with as much notice to be provided as possible.

We appreciate everyone's patience during these works.

Friday 29th July 2022

Crane lift for roofing material for 5 Bowen Drive.

8:00AM to 3:00PM

The area in yellow below indicated the approximate location of the crane.

We advise that there may be some delays due to machinery movements on these days, once the crane is positioned the driveway should remain open.
